Elected by the community, the five board members are responsible for establishing the policies by which the entire Glendale district is run. The superintendent and the Independence administration, hired by the board, were responsible for operating the school in keeping with those decisions.

Members of the Class of 1982:

Surely one of the most pleasing aspects of my job is that each year I have a chance to say well done to our graduating class. I'm particularly pleased that in the case of the Class of 1982, I have not had to wait until now to be able to say it. YOU HAVE DISTINGUISHED YOURSELVES FROM THE BEGINNING! We've watched you with pride for four years, and I know you'll make us proud in the future.

Sincerest Best Wishes,
Fred S. McClure
